OBJECTIVES

1. To promote cultural exchange and mutual understanding between young people from different European countries through participation in equestrian and tourist activities in Extremadura.
2. Promote sustainability and environmental awareness among participants by highlighting the importance of nature preservation and ecological horse riding.
3. To strengthen the intercultural and linguistic skills of young people by working in teams with people of different nationalities and learning foreign languages.
4. To promote social inclusion and equal opportunities by providing access to equestrian and tourism activities for young people from diverse backgrounds, including those with disabilities.
5. To boost the employability of young people by providing them with experience in the equestrian tourism sector, including aspects such as facility management, event organisation and horse care.

IMPORTANT INFORMATION

The participants will be chosen on the basis of their social competences, their interest in the topic and their linguistic competence in English. Moreover, gender balance will be taken into account in order to organise an equal and diverse mobility.

The project will run from 29th May 2024, the day of arrival, until 7th June 2024, the end of the project. Volunteers will arrive in Spain from their respective countries by plane. The closest airport with the most air connections is Madrid..

There will be an organized transport to pick up participants at the airport, and another one to drop them off on their return.

We will send the meeting time at the airport to pick up all participants.

Arrival in Madrid must be before 18:00h on the 29 th, and departure after 11:00h on the 07th.

Travel information and budget expenses:

The travel costs to the venue and back will be reimbursed up to the maximum of the amount indicated by the distance calculator provided by the EC:

Travel expenses are reimbursable for participants who attend all sessions and are fully committed to the project activities. Travel expenses will be covered after participants use the cheapest means of transport and submit original invoices for air tickets, boarding passes, trains and bus tickets. Private cars, taxis and first class tickets will not be reimbursed.

An important detail is that tickets must be purchased after our confirmation. Otherwise your tickets may be considered non-refundable. We undertake to refund only those tickets that have been confirmed by our team.

To ensure that all participants book the cheapest available option for their journey, we offer our full support in helping them with their bookings and bus/train connections.

Please also keep ALL other travel documents you have. Do not throw anything away!

Funded by the European Union

Reimbursement will be made in Euros, regardless of the currency indicated on your ticket and receipt/invoice.

Please note that if you purchased your ticket in your local currency which may be different from the Euro, we will calculate your travel costs according to the exchange rates on the official website of the European Commission, on the day of purchase.

EXTRA DAYS: following the guidelines of the Erasmus+ Programme, the trip must be made by participants within a maximum of 4 days from the project dates (arrival is maximum 2 days). (arrival maximum 2 days before the project and departure maximum 2 days after the project).

During the additional days, participants must cover all their expenses, such as accommodation, food, etc.

Health and travel insurances

All the participants coming from the EU should bring their European Health Card. They can use the free European Health Insurance Card (EHIC) to allow cover private health care, non-emergency health costs, or being flown back to your home country.

Please be aware that the EHIC is NOT a travel insurance policy. We highly recommend you to make a health & travel insurance for the full duration of your time in Spain.

If you have any allergies or you need to take regular medications, please arrange these things by yourself as we are unable to provide them for you.

Likewise, if you have any health conditions, disabilities or mobility issues that you feel we need to be aware of or that may affect your participation in the youth exchanges activities, then please let us know what they are and how best to assist you.
